EDUCATION

CUNY Bernard M. Baruch College, Zicklin School of Business

Bachelor of Business Administration in Finance

- Cumulative GPA: 3.97/4.0 | Dean's List
- Zicklin Undergraduate Honors Program (ZUHP)
- Relevant Coursework: Managerial & Financial Accounting, Principles of Finance, Business Statistics

New York, NY

Expected May 2028

The University of Texas at Austin

Bachelor of Science in Education

- Cumulative GPA: 4.0/4.0, Transferred

Austin, TX

August 2024 - January 2025

PROFESSIONAL EXPERIENCE

Streetlife Ventures × Climate Tech Cities

Venture Capital AI & Operations Intern

New York, NY

June 2026 - August 2026

- Completed a pre-internship project designing a 90-day launch playbook for a new climate-tech community chapter in Dallas region
- Developing AI-assisted sourcing workflows to identify and evaluate early-stage, climate-tech startups aligned with fund's thesis

Bridge Philanthropic Consulting

Business Development Intern

New York, NY

March 2026 - May 2026

- Evaluated market and competitive dynamics to identify client opportunities and assist with business development strategy planning
- Analyzed nonprofit funding landscapes and networks, sourcing 40+ prospective donors and strategic partnerships for a client deal
- Leveraged 3 AI models to streamline prospect research and pitch material development, reducing preparation time by over 50% and identifying 60+ new grant funding opportunities to expand BPC's Dallas-area philanthropic donor CRM database system

Project Destined

Private Equity Real Estate Intern

Remote

October 2025 - December 2025

- Completed financial modeling, valuation, and deal analysis training led by private equity professionals and mentors, participating in 3 team-based case studies and 1 individual case competition evaluating private equity investments, leverage, and capital sourcing
- Analyzed key financial and macroeconomic indicators, including regional demographics, interest rate trends, and regional development activity, to assess profitability, leverage, and capital structure for acquisition proposals across growing markets

Yael Bio Lab

Data Analytics Intern

New York, NY

July 2025 - August 2025

- Analyzed and optimized digital expenses through data-driven A/B testing, reallocating budget to higher-performing client outreach initiatives to achieve ~35% increase in client website engagement and ~20% reduction in user acquisition cost efficiency metrics
- Interpreted Google Analytics performance data and presented actionable insights to upper management, such as adjusting location targeting and client-outreach frequency strategy refinement, to guide strategic decisions and maximize overall return on investment

Kingdom International School

Digital Operations Analyst

Austin, TX

December 2023 - May 2025

- Reduced expenses by ~65% or ~\$3,000 annually by identifying redundant expenses in Zoom billing and storage processes
- Standardized data management across Zoom, Dropbox, Edpuzzle, and Canvas LMS, streamlining recordkeeping accuracy systems

LEADERSHIP & ACTIVITIES

TAMID at Baruch College

Business Analyst

New York, NY

October 2025 - Present

- Analyzed SodaStream's \$3B+ M&A transaction and developed 2 practical recommendations on expansion and distribution strategy
- Conducted economic impact and market-sizing analysis for a conservation startup to quantify financial losses associated with degradation of the Dead Sea, producing 3 data-driven insights to advocate for government support of company initiatives policy

Student Government Association, Pillar College

Vice President

Somerset, NJ

August 2023 - May 2024

- Directed an 8-member leadership team, coordinating weekly campus initiatives and assuming presidential duties when necessary
- Increased campus participation by planning and executing fundraisers and events, engaging 100+ student and staff members
- Collected and analyzed survey data on student body concerns, presenting actionable solutions to faculty and administration

BNP Paribas Sophomore Opportunity Summit

Virtual Participant

Remote

January 2026

- Participated in a highly selective program, gaining exposure to internal consulting and risk strategy initiatives at BNP Paribas
- Collaborated with a team to solve a case, preparing a solution in 30 minutes and presenting it to BNP analysts and recruiters
